TECHNICAL WORKSPACE SOLUTIONS  
[WWW.HERGO.COM](http://WWW.HERGO.COM) | 888.222.7270

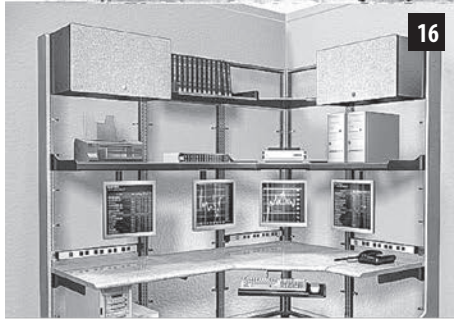

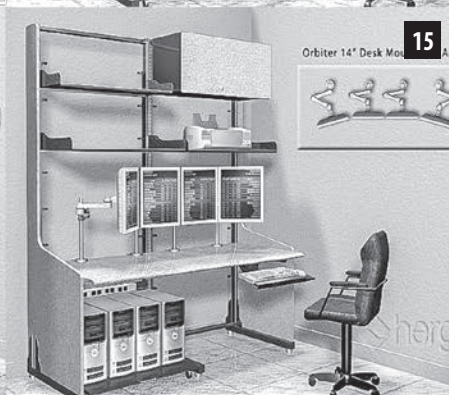

## Popular Configurations:

1. PN 95-WSSU8-430  
Single User Workstation
2. 95-HCOZY-000  
HERGO Cozy Corner
3. 95-H9090-000  
90/90 Workstation
4. 95-PERSM-72L ; 95-PERST-72B  
Personal Workstations
5. 95-COMND-007  
COMMANDO 007
6. 95-UNI84-360  
UNI8436 Workstation
7. 95-DU084-600  
DU08460 Workstation
8. 95-TRI84-720  
TRI8472 Workstation
9. 95-TRIMO-000  
TRIMO Workstation

**Hergo Open Racking Systems** – Hergo frames are manufactured with 11 gauge steel. Frames are vertically slotted in front and back in 1" increments. Mix and match any Hergo frames, create long rows, corners or cubicles or leave as a stand-alone unit. Front or back mounting options available.

10. 95-MIDIW-048 - MIDI Workstation Low Profile Workstation
11. 95-GENEV-A00 - GENEVA Single Frame Server Rack
12. 95-ZURIC-H00 - ZURICH Single Frame Workstation
13. 95-ROME0-000 - ROME Double Frame Workstation
14. 95-VENIC-E00 - VENICE Desktop Workstation
15. 95-SANFR-ANO - SAN FRANCISCO Multi-Frame Server Station
16. 95-LOSAN-GEO - LOS ANGELES Corner Workstation
17. 95-NEWYO-RKO - NEW YORK "L" Workstation with Island
18. 95-LONDO-N00 - LONDON "U" Workstation

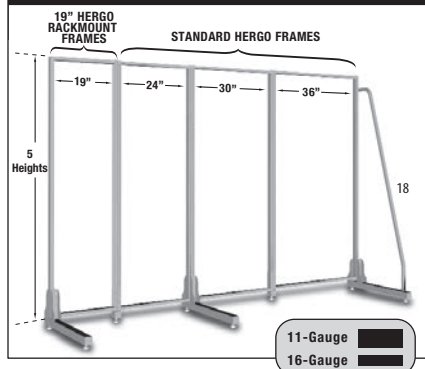

## Configuring YOUR System

Choose from one of our Popular Configurations shown here or create your own racking system using the following options:

- Frames
- Legs
- Desktops
- Mounting, Tilted, Monitor Track and Book Shelves
- Storage Compartments
- Modesty Back and Side Panels
- Casters and Gliders
- 19" Rackmount Bracket Kits
- Seismic Shock Support Brackets
- Drawers & File Cabinets

# OPEN RACKS Modular Component System

## HERGO FRAMES

### Frame Heights:

### Frame Widths:

### Weight Capacity:

(per frame, when weight is evenly distributed)

### Weight Capacity:

(per frame with Upright Support Channel (P.N. 10-00099-001))

### Description

### General Features

### Standard Color

### Options

84"	72"	60"	42"	30"

# HERGO DESKTOPS

Standard Desktops are made of 1.125" thick high-pressure laminate with the finest material from WilsonArt®.

Hergo's Exclusive Desktop Edge: The Hergo-Curve is designed to provide a comfortable ergonomic hand-rest for the user.

Hergo Curved

Sizes: Standard Desktops are available in 2 depths - 30" and 36", and in 6 widths: 24", 30", 36", 48", 60" and 72". Weight capacity is stated at 350 lbs. for each 36" length when items are equally distributed.

Hergo uses WilsonArt® laminate for the best of design, durability and value. More than 200 custom colors are available. Custom Chemical-Resistant Laminate, used in areas where a variety of cleaning agents may be used, are also available.

# OPEN RACKS Modular Component System → SHELVES

## HERGO SHELVES

Easily mounts into vertical slotting on frame upright at any height level.  
No tools needed!

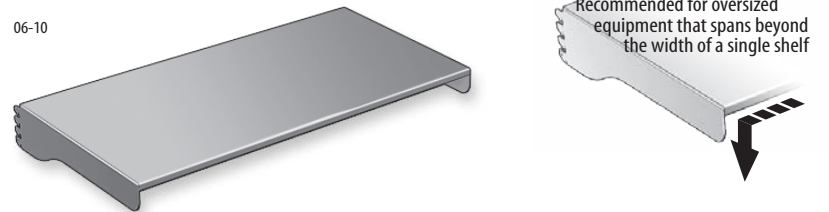

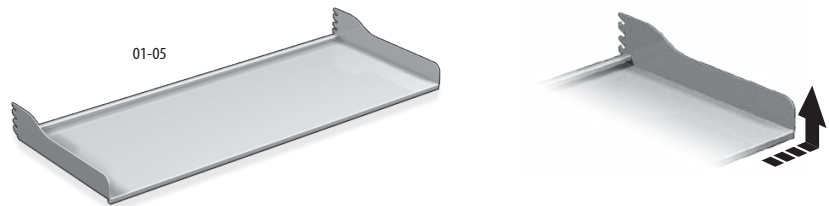

11-Gauge   
16-Gauge 

- Made of 16 gauge steel, Hergo shelves are the most heavy-duty and durable on the market.
  - The attachment brackets are made of 11 gauge steel and are offered in an upward and downward mounting style.
  - Each 18.5"D shelf surface is enhanced by 3 bends, in-front and back. The user can reverse shelf orientation from front to back, if so desired. Shelves ship with the back bend upward to secure equipment in place and prevent it from falling off the back of the shelf.
  - Weight capacity is 500 lbs. for each 36" length when items are equally distributed.
  - Hergo recommended weight capacity is stated at 33% of the total amount of weight placed on the shelf before the brackets start showing signs of fatigue.
- We do not recommend loading shelves above the specific stated capacity.**
